The screenshot displays a reservation management system interface. At the top, a navigation bar contains icons for back, forward, main page, package, flights, accommodation, round trip, extras, tickets, Cars, Camper, insurance, res. list, info, print, and combi booking. The main content area is divided into sections: reservation data (SPNR-res.: G9640820), reservation details (reservation: 75702873, Expedient: 0001, provider: TUI Deutschland GmbH), and a list of reservation items. A modal dialog box titled "Druck-/Maildialog" is open, showing options to print customer documents and information. The dialog includes a "Please select documents for printing" section with radio buttons for "Open documents individually" (selected) and "Open as a single document". Below this, there is a "Select all" section with a list of documents to be printed, including "reservation 75702873" (checked), "travel confirmation" (checked), and several product and entry requirement documents (unchecked). A red arrow points to the "OK" button at the bottom of the dialog.
